- Proven ideas to improve financial performance
- Brings support and engagement
- Improves golf's reputation and influence

Get OnCourse for better results ...

Machrihanish Dunes, Scotland

"Fairways have no irrigation or chemicals and sheep in the off-season help keep fescue grasses in check."

Simon Freeman, Course Manager

Montrose Golf Links, Scotland

"We created 2 bug hotels as part of our 'Golf Trail' education programme, connecting with the community."

Les Rae, Green Keeper

St Andrews Links, Scotland

"Supported by OnCourse®, we continue to reduce water use on the course."

Gordon Moir, Links Superintendent

Trump Turnberry, Scotland

"All fairway bunkers and all the short-course bunkers have been naturalised, lowering maintenance needs."

Allan Patterson, Golf Course Manager

Fife Golf Trust, Scotland

"An open ditch added throughout low lying areas improves playability after heavy rain - and provides a new marginal wetland habitat"

Paul Murphy, Golf Course Manager

Dundonald Links, Scotland

"Using OnCourse® to keep our water data every year will make reporting to SEPA much easier."

Frank Clarkson, Head Superintendent
